

CALL FOR PAPERS

THE 4th FORUM ON KNOWLEDGE CO-CREATION (FoKCs-4)

March 17-18, 2014 in Kanazawa, Ishikawa, Japan

<<http://www.jaist.ac.jp/fokcs/index.html>>

The 4th Forum on Knowledge Co-creation (FoKCs-4) will be held at Shiinoki Cultural Complex, Ishikawa Prefecture, March 17–18, 2014. The FoKCs is a forum where researchers and practitioners collaborate in attempting to scientifically clarify the mechanisms of creations, sharing, and applications of knowledge and to realize highly-developed knowledge societies.

The forum will have the following sessions.

1. Invited Presentation Session
 - Invited speaker: Prof. Takahiro Fujimoto (The University of Tokyo and Executive Director Manufacturing Management Research Center)
2. Themed Session (The theme: “Knowledge Science for Co-creative Working Field”)
 - The speakers are desired to have their presentations related to the theme above.
3. General Session
4. Seeds Session
 - Work-in-progress papers will be presented in this session.
5. Interactive Session (Poster Session)

Presentations and papers in English are surely available, although (Japanese) speakers will basically have their presentations in Japanese and many (Japanese) authors will submit their papers in Japanese.
