

KICSS 2008

Third International Conference on Knowledge, Information and Creativity Support Systems

Hanoi, Vietnam, 22-23 December 2008

The aim of the International Conference on Knowledge, Information and Creativity Support Systems (KICSS2008) is to facilitate technology and knowledge exchange between international researchers/scholars in the fields of knowledge science, information systems, and system science and creativity support systems. The two first conferences have been held in Ayutthaya – Thailand (2006), and Ishikawa – Japan (2007). This year, the conference will be held in Hanoi, Vietnam.

The conference will cover a broad range of research topics in the fields of knowledge engineering and science, information technology, creativity support systems and complex system modeling. They include, but are not limited to:

Knowledge Discovery in Database

Creativity Support Systems

Web Intelligence Tools

Natural Language Understanding Tools

Complex System Modeling and Analysis

Meta-synthesis and Advanced

Modeling

Decision Sciences

Decision Support Systems

Knowledge Sciences and Technologies

Knowledge Management Support Systems

Intelligent Systems and Agents

Knowledge-based E-Commerce

E-learning, E-content, E-knowledge

Data Warehouse and Data Mining

Group Decision and Negotiation

Knowledge Reuse and Ontology

Evaluation on Decision Support System

Conference Chairs

Susumu Kunifuji, Japan Advanced Institute of Science and Technology, Japan (JAIST)

Nguyen Thi Tinh, Hanoi National University of Education, Vietnam (HNUE)

Ho Tu Bao, Japan Advanced Institute of Science and Technology, Japan (JAIST)

Program Committee Chairs

Susumu Kunifuji, Japan Advanced Institute of Science and Technology, Japan (JAIST)

Thanaruk Theeramunkong, Sirindhorn International Institute of Technology, Thammasat University

Pham Tho Hoan, Hanoi National University of Education, Vietnam (HNUE)

Motoki Miura, Japan Advanced Institute of Science and Technology, Japan (JAIST)

For further information, please contact to:

Motoki Miura

Japan Advanced Institute of Science and Technology, 1-1 Asahidai, Nomi, Ishikawa 923-1292, Japan

Phone +81-761-51-1717

Fax +81-761-51-1775

E-mail: miuramo@jaist.ac.jp

Paper Submission

4 to 8 pages of EXTENDED ABSTRACT or PAPER should be submitted for reviewing process. Papers must be submitted electronically as PDF or Word file, via the submission website. Final camera-ready paper should be maximum of 8 pages. Accepted papers will be published in the conference proceedings.

Detailed instructions and submissions are available at the conference Website, <http://www.jaist.ac.jp/kicss2008/>

Important Dates

Paper Submission Deadline	30 July 2008
Paper acceptance notifications	10 September 2008
Camera Ready Papers	10 October 2008
Conference	22-23 December 2008

Conference Location

The conference *venue* will be Hanoi National University of Education, Hanoi, Vietnam (<http://www.hnue.edu.vn>).

Welcome to Hanoi and Vietnam Hanoi, the capital of Vietnam with a millennium-long history, has become one of the most beguiling cities in Asia. The city located in the Red River Delta in the center of North Vietnam has a lovely landscape of lakes, shaded boulevards, verdant public parks, colonial French houses and astounding modern skyscrapers. Hanoi is political and cultural center of Vietnam.
