Concluding Remark

- FWF projects are evaluated

Concluding Remark

- FWF projects are evaluated
- evaluation is taken into account for new FWF projects

Concluding Remark

- FWF projects are evaluated
- evaluation is taken into account for new FWF projects
- what counts for international projects is international collaboration

Concluding Remark

- FWF projects are evaluated
- evaluation is taken into account for new FWF projects
- what counts for international projects is international collaboration resulting in joint publications

Concluding Remark

- FWF projects are evaluated
- evaluation is taken into account for new FWF projects
- what counts for international projects is international collaboration resulting in joint publications
