II. Informal Laboratory Assignment Prior to Enrollment

Successful applicants are eligible to apply for an informal lab assignment prior to enrollment. Visit our website for details.

JAIST Top Page > Education > Academic Procedures > Informal Laboratory Assignment Prior to Enrollment

Since applicants for Admission on Recommendation for Overseas Residents are required to obtain an informal consent of acceptance from their intended supervisor prior to the formal application, those who successfully passed the examination will be assigned to the laboratory of their intended supervisor without using this system.

III. Long-term Study System

The standard periods for completion are two years for a master's degree and three years for a doctoral degree. However, students may be granted extension of their study period as one of the student support services when they face difficulty in completing the degree within the standard study period due to fair reasons related to their work or personal affairs.

Visit our website for details.
