# Regular Examination

## I. Number of Students to be Admitted

| School   | Division                               | Number of Students to be Admitted |
|--|--|-----------------------------------|
|  |  | April 2026 Admission              |
| Graduate School of Advanced Science and Technology | Division of Transdisciplinary Sciences | 10 (See Note)                     |

Note: The number of students in April 2026 admission includes the number of students admitted through the other Selections except for Regular Examination to JAIST Master's program (Division of Transdisciplinary Sciences).

## II. Eligibility Requirements

Applicants must satisfy one of the following requirements by the day prior to the day of desired enrollment. Eligible applicants are those who have:

1. graduated from a Japanese university.
2. been granted a bachelor's degree by the National Institution for Academic Degrees and Quality Enhancement of Higher Education (NIAD-QE) as stipulated in Paragraph 7, Article 104 of the School Education Act.
3. completed a 16-year curriculum of school education in countries other than Japan.
4. completed a curriculum at a foreign-affiliated university in Japan which has a university education curriculum under the school education of its country (Its completion must be regarded as the completion of a 16-year curriculum of school education in its country) and specifically designated by the Minister of Education, Culture, Sports, Science and Technology.
5. completed a 16-year curriculum of school education in a foreign country by completing a correspondence curriculum of an overseas educational institution while residing in Japan.
6. been granted a bachelor's degree from a foreign university or other foreign institution of higher education by completing a curriculum with a completion period of three years or more.
7. completed a specialized curriculum specifically designated by the Minister of Education, Culture, Sports, Science and Technology at a vocational school on or after the date designated by the Minister of Education, Culture, Sports, Science and Technology. The required period for graduation is four years or longer, and which also satisfies other condition specified by the Minister of Education, Culture, Sports, Science and Technology.
8. been designated as eligible by the Minister of Education, Culture, Sports, Science and Technology. For example, those who graduated from a university which is not under the jurisdiction of the Ministry of Education, Culture, Sports, Science, and Technology.
9. Early Graduate School Entrance Program  
Applicants for the early graduate school entrance program must have completed the required number of credits set by JAIST, which is approximately three-quarters of the necessary credits to graduate from a Japanese university or an equivalent level of the curriculum in a foreign country, with excellent academic results. Prospective applicants for the early graduate school entrance program are those who have:
  - a) attended a Japanese university for at least three years.
  - b) completed a 15-year curriculum of school education in countries other than Japan.
  - c) completed a 15-year curriculum of school education in a foreign country by completing the correspondence curriculum of an overseas educational institution while residing in Japan.
  - d) completed a curriculum at a foreign-affiliated university in Japan which has a university curriculum under the school education of its country (Its completion must be regarded as the completion of a 15-year curriculum of school education in its country) and specifically designated by the Minister of Education, Culture, Sports, Science and Technology.
10. enrolled in a graduate school as stipulated in Paragraph 2, Article 102 of the School Education Act, and recognized as having sufficient academic abilities by JAIST.
11. been recognized by JAIST through the Judgment of Eligibility as having an equivalent or greater scholastic ability than that of university graduates, and have reached 22 years of age.

Note: Applicants satisfying at least one of the eligibility requirements (1) - (8) are not required to pass through the Judgment of Eligibility. Such applicants should move to "III. Application Periods".

### [Judgment of Eligibility]

Applicants who wish to apply under the eligibility requirement (9), (10) or (11) must be screened by JAIST for eligibility prior to applying. Applicants should download the instruction documents and forms for judgment of eligibility from our website and submit all the necessary documents before the following deadline. (Admissions > Application Guide > Judgment of Eligibility)

| Examination          |                    | Application Deadline for Judgment of Eligibility<br>(The application must arrive by) |
|----------------------|--------------------|--|
| April 2026 admission | First examination  | Tuesday, April 22, 2025  |
|                      | Second examination | Friday, August 1, 2025   |

For more information about the judgment of eligibility, please see the link below.

[Judgment of Eligibility URL]

<https://www.jaist.ac.jp/english/admissions/application-guide/Eligibility.html>

Please note with great caution that if an applicant enrolls in JAIST under the eligibility requirement (9) a), they will leave their university prior to graduation. In this case, they will not be eligible for some Japanese national examinations requiring that applicants have graduated from a university and obtained a bachelor's degree.

Each applicant will be notified of the result of the judgment of eligibility one week before the end of each application period. If you have not received the result until the last week of the application period, please contact the Admissions Section (Email:nyushi@ml.jaist.ac.jp). Only applicants who have been admitted to obtain the eligibility can apply for the examination.

### III. Application Periods

The application periods for each examination are described below. Please make "IV. Online Application Registration."

| Examination          |                    | Application Period                               |

## V. Delivery of Examination Admission Card

Upon the successful completion of the "IV. Online Application Registration" procedures, once the application deadline has passed, each applicant will receive an examination admission card and pertinent documents via postal mail. Additionally, the Entrance Examination Guide for the Master's Program and associated documents will be dispatched to all applicants via email. We will not respond to inquiries regarding whether your application has been accepted. If you do not receive one week before the examination date, please contact the Admissions Section at (Email:nyushi@ml.jaist.ac.jp).

## VI. Examination Schedule and Selection Method

### (1) Examination Periods

Examination will be conducted on one day (specified date from JAIST) during the period shown below. Each applicant will be notified of the date, registration and examination time when they receive the examination admission card.

| Examination          |                    | Examination Period                              | Method |
|----------------------|--------------------|---|--------|
| April 2026 admission | First examination  | Saturday, July 5 - Sunday, July 6, 2025         | Online |
|                      | Second examination | Saturday, October 11 - Sunday, October 12, 2025 |        |

Note: We cannot accept any requests for dates and times.

### (2) Selection Method

Selection is conducted by an oral examination. Applicants have a choice of speaking in English or Japanese. The total time of the examination is within 30 minutes per applicant.

The oral examination is conducted online by using a web conference system designated by us that can be used from a PC, etc.

A webcam and a microphone are necessary for it. Please read carefully “Online Examination Q&A” on our website for details and prepare enough equipment and network environment by yourself.

We will have a connection test with each applicant a few days before the examination (weekdays only).

[Online Examination Q&A URL]

<https://www.jaist.ac.jp/english/admissions/outline/qa-m-online.html>

①Presentation about the short essay submitted at the time of application.

- The time allowed for your presentation is within 7 minutes.
- Your presentation material must be prepared in still images in file formats such as PDF. (There is no page limit. It is recommended to use horizontally long sheets of paper. (i.e. long sides of a sheet come to the top and bottom.))
- You will give your presentation by showing your presentation material in full screen with using the function of sharing.
- You are allowed to have a printed copy of your presentation script during your presentation, however, distributing other materials and using any other electronic devices are strictly prohibited.

②Q&A based on the short essay and the entry form submitted at the time of application.

- The time allowed for Q&A is within 23 minutes.
- You might be asked to describe your answers on paper and explain it during Q&A. Please prepare about 5 sheets of A4 sized blank paper, which have no ruled lines, and a black or a blue felt tip pen. When examiners ask you to do so, please describe and show it to the webcam and explain it.

### (3) Admissions and Evaluation Criterion

The oral examination is conducted to comprehensively assess the basic academic ability of applicants and their motivation to conduct study and research after enrollment. All applications are evaluated on the result of the oral examination and all the application documents submitted, based on the holistic screening criteria.

## VII. Notification of Admission Decision and Admission Procedures

### (1) Dates of Notification of Admission Decision and Admission Procedures

The result notification letter will be sent only to successful applicants via postal mail on the dates shown below.
