# Special Examination on a Rolling Basis

The Special Examination on a rolling basis is intended for highly motivated applicants who have a clear research topic to the Master's program. After obtaining prior consent from their desired teacher (see p.5) to conduct the examination, we will set the examination date on a rolling basis.

## I. Number of Students to be Admitted

School	Division	Number of Students to be Admitted
		April 2026 Admission
Graduate School of Advanced Science and Technology	Division of Advanced Science and Technology	A few (See Note 1.2)

Note 1: The number of students includes the number of students scheduled to be admitted through the special selections.

Note 2: If the number of admitted students reaches the quota, we will stop accepting applications even before the final deadline. In such a case, we will announce it on our website.

## II. Eligibility Requirements

Applicants must satisfy one of the following requirements by the day prior to the day of desired enrollment, and guarantee enrollment upon passing the examination.

Eligible applicants are those who have:

1. graduated from a Japanese university.
2. been granted a bachelor's degree by the National Institution for Academic Degrees and Quality Enhancement of Higher Education (NAID-QE) as stipulated in Paragraph 7, Article 104 of the School Education Act.
3. completed a 16-year curriculum of school education in countries other than Japan.
4. completed a curriculum at a foreign-affiliated university in Japan which has a university education curriculum under the school education of its country (Its completion must be regarded as the completion of a 16-year curriculum of school education in its country) and specifically designated by the Minister of Education, Culture, Sports, Science and Technology.
5. completed a 16-year curriculum of school education in a foreign country by completing a correspondence curriculum of an overseas educational institution while residing in Japan.
6. been granted a bachelor's degree from a foreign university or other foreign institution of higher education by completing a curriculum with a completion period of three years or more.
7. completed a specialized curriculum specifically designated by the Minister of Education, Culture, Sports, Science and Technology at a vocational school on or after the date designated by the Minister of Education, Culture, Sports, Science and Technology. The required period for graduation is four years or longer, and which also satisfies other condition specified by the Minister of Education, Culture, Sports, Science and Technology.
8. been designated as eligible by the Minister of Education, Culture, Sports, Science and Technology. For example, those who graduated from a university which is not under the jurisdiction of the Ministry of Education, Culture, Sports, Science, and Technology.
9. Early Graduate School Entrance Program  
Applicants for the early graduate school entrance program must have completed the required number of credits set by JAIST, which is approximately three-quarters of the necessary credits to graduate from a Japanese university or an equivalent level of the curriculum in a foreign country, with excellent academic results. Prospective applicants for the early graduate school entrance program are those who have:
  - a) attended a Japanese university for at least three years.
  - b) completed a 15-year curriculum of school education in countries other than Japan.
  - c) completed a 15-year curriculum of school education in a foreign country by completing the correspondence curriculum of an overseas educational institution while residing in Japan.
  - d) completed a curriculum at a foreign-affiliated university in Japan which has a university curriculum under the school education of its country (Its completion must be regarded as the completion of a 15-year curriculum of school education in its country) and specifically designated by the Minister of Education, Culture, Sports, Science and Technology.
10. enrolled in a graduate school as stipulated in Paragraph 2, Article 102 of the School Education Act, and

recognized as having sufficient academic abilities by JAIST.

11. been recognized by JAIST through the Judgment of Eligibility as having an equivalent or greater scholastic ability than that of university graduates, and have reached 22 years of age.

Note: Applicants satisfying at least one of the eligibility requirements (1) ~ (8) are not required to pass through the Judgment of Eligibility. Such applicants should move to “III. Application Process”.

### [Judgment of Eligibility]

Applicants who wish to apply under the eligibility requirements (9), (10) or (11) must be screened by JAIST for eligibility prior to applying. Applicants should download the instruction documents and forms for judgment of eligibility from our website and submit all the necessary documents before the following deadline. (Admissions > Application Guide > Judgment of Eligibility)

Examination	Final Deadline (must arrive by)
April 2026 admission	Friday, December 19, 2025

For more information about the judgment of eligibility, please see the link below.

[Judgment of Eligibility URL]

<https://www.jaist.ac.jp/english/admissions/application-guide/Eligibility.html>

Please note with great caution that if an applicant enrolls in JAIST under the eligibility requirement (9) a), they will leave their university prior to graduation. In this case, they will not be eligible for some Japanese national examinations requiring that applicants have graduated from a university and obtained a bachelor's degree.

Each applicant will be notified of the result of the Judgment of Eligibility approximately one month after submitting the required documents. If you do not receive the result within this period, please contact the Admissions Section (Email:nyushi@ml.jaist.ac.jp). Only applicants who have been judged “eligible” can apply for the examination.

## III. Application Periods

The application deadline is three weeks before the desired examination date (whichever is earlier). The table below indicates the final application deadline dates.

Examination	The final application deadline	
April 2026 admission	Friday, January 30, 2026	Postmarked by the deadline date is valid.

## IV. Application Process

Before applying, applicants must contact the faculty member they wish to be supervised by and obtain prior consent for the interview examination, with that faculty member serving as a member of the interview committee (examiner). Once consent is obtained, applicants should also consult with the faculty member regarding their preferred examination date."

### (1) Application method

Applicants must mail the application documents. Please place all required documents (the originals) in an envelope (Japanese KAKU 2 size is preferred) and send it by registered mail such as DHL, FedEx, or EMS to the Admissions Section. On the envelope, please write the applicant's name, address and clearly mark it with

“Application Documents for the Special Examination on a Rolling Basis, Master's program, Enclosed”. Alternatively, You may submit them in person at the Admissions Section of JAIST.

## (2) Application Documents

You should submit the prescribed forms and certificates. Please download the prescribed forms from our website and enter the information. (Admissions > Prescribed Forms) We recommend inputting the forms on the computer, however, if applicants fill in the forms by hand, they should use a black ink pen or a ballpoint pen. Applicants may not use erasable ink pens or ink that disappears over time.
