

Dear Students, Faculty and Staff,

President

Our decision at JAIST after the government lifted coronavirus state of emergency

You may be aware that the coronavirus state of emergency by the government was lifted yesterday for 39 prefectures including Ishikawa.

However, we at JAIST decided to remain the present rules on our daily work for a further week and review them again on May 22.

Although the state of emergency was eased, please do cooperate with us to prevent infection by continuing wearing a mask, washing hands, good manners of cough and avoiding 'Three Cs' (Closed spaces, Crowded places, Close-contact settings). Please also keep monitoring your health and stop nonessential and non-urgent outings.
