

Access to the facilities of JAIST for students entering in April 2023

After arrival, you will be allowed to access the facilities of JAIST if there are no issues with your health. Please take basic infection control measures on campus, such as "avoid the three Cs", "keep a safe distance from others", and "practice hand washing and other hand sanitation". As for wearing a mask, we will announce you separately.

○Orientation

The orientation starting from April 5 will be held face-to-face. If you have been infected with COVID-19 or have been a close contact, or if you are unable to come to school due to a fever or other illness, you will be required to watch the recording at a later date. Please contact the Student Welfare Section (gakusei@ml.jaist.ac.jp) for the details.

○Temporary lab assignments

You will be temporary assigned to a laboratory after 14:30 on April 6. If you have been infected with COVID-19 or have been a close contact, or if you are unable to come to school due to a fever or other illness, please contact the Student Welfare Section (gakusei@ml.jaist.ac.jp).

○Use of JAIST Shuttle Bus

You can use JAIST Shuttle Bus after taking basic measures to prevent the spread of COVID-19 infections. Please wear a mask when boarding the bus, as the space inside the bus is highly airtight and ventilation may be insufficient.

○Use of J-BEANS and JAIST Library

You can use J-BEANS and JAIST Library after taking basic measures to prevent the spread of COVID-19 infections.

○Use of Cafeteria & JAIST Shop

You can use the Cafeteria & JAIST Shop after taking basic measures to prevent the spread of COVID-19 infections.

○Use of Gymnasium and Training Room

You can use the Gymnasium and Training Room after taking basic measures to prevent the spread of COVID-19 infections.

○Others

Please note that the above treatment is subject to change depending on the situation of COVID-19 infection.
